

Dylan

Dylan is 13 years old. Here's what he would like you to know about him

My favorite foods

My favorite foods are Pizza (Though I only like sausage, pepperoni and cheese on my pizza, NO VEGGIES) and Burgers (especially Bacon Cheese Burgers).

My favorite things

I like to ride bikes, ride motorcycles/dirt bikes, and snowmobiling. I like being outdoors and like most sports. I especially like football. I do not like sitting around. I like to swim, but only in pools. I am not big on swimming in lakes, ponds, or brooks depending on how cold they are.

Things I don't like

I do not like fruits or vegetables. I don't like playing baseball.

What I want from a family

I want a loving family; either a mom and dad or a single parent. I would love to live on a farm (Dairy farm) or in a country setting. I want a family that likes being outdoors; that likes hunting, fishing and camping. I would like them to be involved in sports, except baseball. I would like to have a big dog.

What I want families to know about me

I'm a good kid. I sometimes do well with routines.

What we want families to know about the youth

Dylan is a charming, funny young man who would benefit from a family that will provide him with routines, rituals (scheduling), and a high level of structure in his day to day life. He loves being in the outdoors and would do well in a rural setting (his preference would be on a farm). Dylan needs a family that will allow him to grow and develop the skills to be successful in a supportive environment. He also needs a family that will support his connections to his birth family.
